## Aftercare Instructions

Follow these instructions 72 hours post procedure:

1. Cleanse face AM and PM with Vital Therapy Extra Gentle Cleanser.
2. Use Jane Iredale D2o spray AM and PM and as directed throughout the day.
3. Apply the appropriate moisturizer as prescribed by your aesthetician.
4. Use a Zinc-Oxide based sunscreen of SPF 20 or higher daily.
5. Avoid glycolic and Vitamin A-based products until irritation has resolved. This usually only takes 72 hours.
6. Following your aesthetician's recommendations for ongoing home care will enhance the effectiveness of your procedure.

I understand that I may not receive my desired results if I choose to use products other than those recommended by my skin care professional.
